-Mother Teresa

A Message from the Board Chairs

It is difficult to look back on 2019 without acknowledging where we are in 2020. Virtual teaching and learning, virtual masses, and isolation. As Catholics, a large part of our identity lies in our community with each other. I am proud to say that I have never been more grateful for Catholic education than I am today. I have seen community in our board office staff pulling together resources, teachers working together to figure out technology, educational assistants helping to assemble and deliver both technology and food to those who need it, and families learning to cope with new reality together. Of course, there are many more examples. It is inspirational!

We continue to work, learn and pray together, albeit differently than ever before. Our Foundation remains strong and ready to support the good works of Greater Saskatoon Catholic Schools. We are appreciative of all our donor support. Your generosity makes our work possible. I believe when we look back on this time, we will see footprints in the sand. I also believe there will be only one set for many of these days, and I know that those prints will belong to Jesus.

God bless you and those you love,

LAURIE KARWACKI
GSCSF Chair

The complexity of modern classrooms has been in the spotlight for some time now – even more so now that we're physically separated and adjusting to at-home supplemental learning plans. Although there are varying perspectives on how to address the issue of complexity once we're back in schools learning together, it's a positive thing that we're having the hard discussions necessary to address the realities of our classrooms.

I want to draw attention to another complexity we face in Catholic education: navigating our world as faithful followers of Jesus. From a wide array of moral and ethical issues in which a traditional Christian view of life is no longer the norm, to outright persecution for expressing belief in the saving love of our risen Saviour, it can be difficult to convey these necessary characteristics of discipleship to students today.

That is why I am thankful for the work of Greater Saskatoon Catholic Schools Foundation. The Foundation, through your generous support, provides much needed resources to foster the spiritual education, growth and maturity of over 19,000 students. Your support helps keep students rooted in their faith, helps them grow in knowledge of the love of God, and encourages them to reach out and transform the world.

Gratefully Yours,

DIANE BOYKO

Student Directors

Livia Blechinger
Holy Cross High School

Lyrra Cabanilla
Holy Cross High School

The activities of the Foundation are managed by a Board of Directors composed of our Bishops and other community minded individuals who recognize the importance of Catholic education. The Board of Directors also includes two senior students from one of our Catholic high schools. This student representation rotates among our high schools.

For the 2019-2020 school year our student representatives are **Livia Blechinger** and **Lyrra Cabanilla** from Holy Cross High School. The role of the student representatives is to bring the voice of our students to the work of the Foundation Board. The students were chosen by their school based upon their leadership skills and their interest in the workings of the Foundation. These students have shown leadership skills at their school and are encouraged to participate in discussions and provide their opinion on projects as to their suitability for high school youth.

Financial Report

January 1, 2019 – December 31, 2019

REVENUE

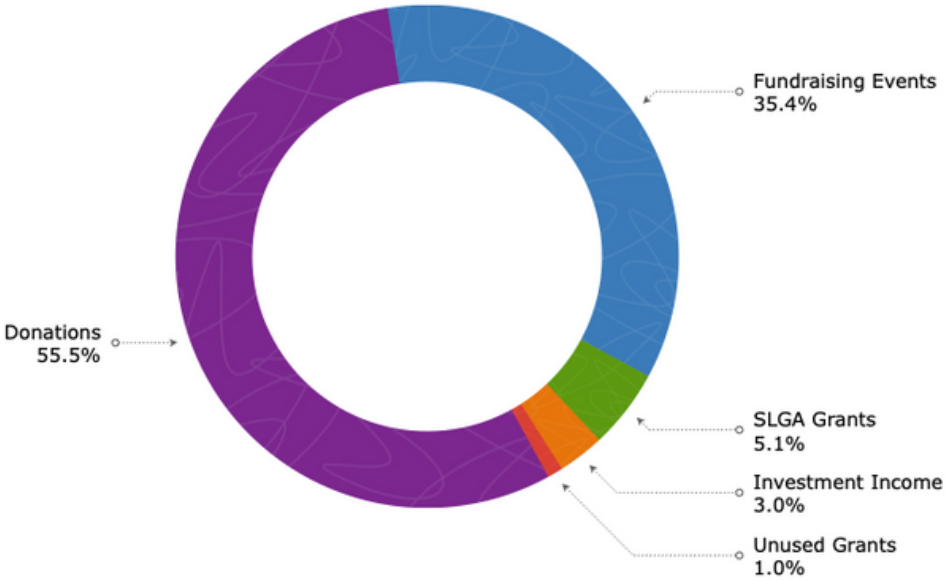
The greatest source of revenue for the Foundation continues to be donations directed toward specific initiatives, such as nutrition programs, school playgrounds, Bishop James Mahoney Health & Sciences Academy, Bethlehem Band program, math programs, Blazing Fiddles program, Summer Success program, Sacred Spaces, Iconology, Christmas hampers, and tech needs of the school.

The Foundation operates three fundraising events: Schools Win Twice Raffle, Swing Into Spring Fashion Show & Dinner, and Share the Spirit Golf Classic. All three events continue to be successful.

EXPENDITURES

As mentioned, the largest disbursements are donations directed toward specific initiatives. For 2019, this amount was $505,000. In addition, $161,000 was distributed in the form of grants to our schools, covering costs for items or activities such as rosary clubs, student leadership conferences, transportation to liturgical celebrations, and student retreats. The year's $101,000 deficiency of revenues over expenditures was primarily the result of initiative donations received in 2019 and prior years that were disbursed in 2019.

Summarized Financial Results

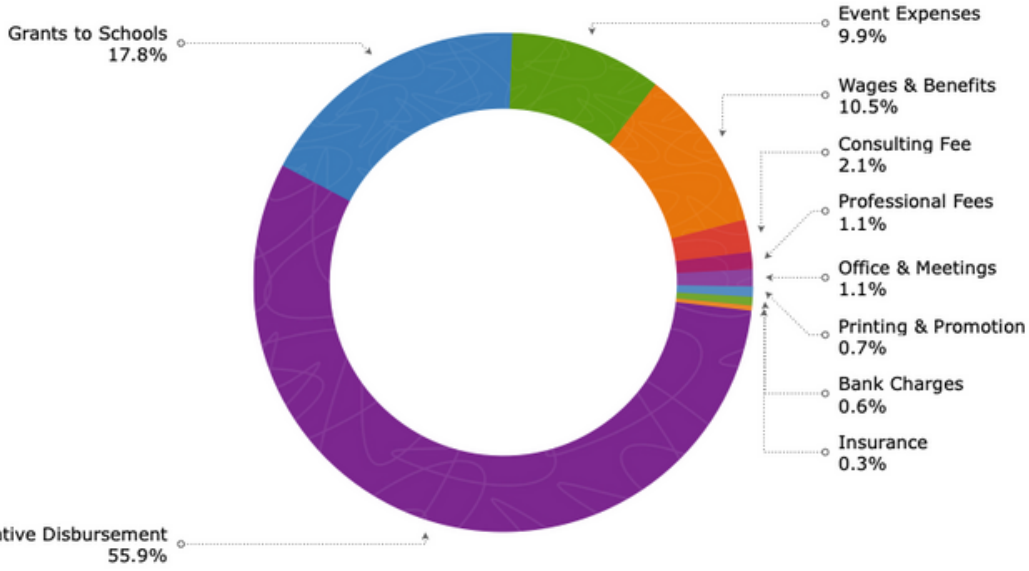


REVENUE	INCOME ($)
Donations	445,000
Fundraising Events	284,000
SLGA Grants	41,000
Investment Income	24,000
Unused Grants	8,000

REVENUE

TOTAL: $802,000

EXPENDITURE	EXPENSE ($)
Initiative Disbursement	505,000
Grants to Schools	161,000
Wages & Benefits	95,000
Event Expenses	89,000
Consulting Fee	19,000
Professional Fees	10,000
Office & Meetings	10,000
Printing & Promotion	6,000
Bank Charges	5,000
Insurance	3,000



EXPENDITURES

TOTAL: $903,000

High School Scholarships, Awards, and Bursaries

The Foundation administers scholarships, awards, and bursaries to meet the growing needs of students who are currently attending high school, as well as those going on to post-secondary studies. Graduating classes are invited to establish scholarships with funds that remain after graduation activities, families may set up scholarships or awards in memory of a loved one, or businesses may set up an award to acknowledge achievements in sport, academics or the arts.

More information and details for each award can be found on our website: gscs.ca/foundation

The Work of the Foundation

The work of the Foundation is based on four pillars – **Faith Formation**, **Service & Compassion**, **Educational Excellence**, and **the Future of Catholic Education**. The mission of the Greater Saskatoon Catholic Schools Foundation is to provide financial support to the Greater Saskatoon School Division in these four areas of focus. The Foundation was first established in 1994, and since that time has distributed *over $11 million* to our schools in keeping with this mission.

It is the goal of our Catholic Schools to develop our students to their fullest potential in all areas, including education, faith, and leadership. The Foundation supports our schools in nurturing young people who go on to be successful in life and who look to become leaders in their families, their workplaces, their communities, and their faith communities.

Rosary Clubs

Each school within the division is invited to apply for funding to support a **Rosary Club**.

In these extracurricular clubs, students have the opportunity to learn about the rosary and how to pray using it, the Holy Mysteries, the saints and how they prayed. They may get the chance to listen to invited guests and lead the rosary within the larger school community. Many clubs make rosaries for themselves, new students, for inclusion with Christmas hampers, as well as for restorative justice programs. The funds provided by the Foundation may be used to provide resource books for students to borrow, supply rosary and prayer cards, supply craft materials, and/or supplies used to make rosaries.

Stories From Our Schools

BISHOP MURRAY'S PATRON SAINT

A patron saint is a saint from whom a person or group receives special protection and guidance. Typically, your patron saint is someone with whom you closely identify. The students of Bishop Murray High School had the opportunity to research various saints this year and consider why those saints may be appropriate patrons for their school. Researched options were narrowed down, Bishop Murray students voted, and it was decided that **St. Jude** was the most suitable patron saint for their school.

Around the year 60 A.D., St. Jude wrote a Gospel letter to Christians in Eastern churches who were under persecution. In it, he warned them against those who were spreading false ideas about the early Christian faith. He encouraged them to persevere in the face of difficult circumstances. He called upon them to keep their faith and to remain in the love of God as they had been taught. His support of these early believers led to him becoming the patron saint of both *hope* and *impossible cases*.

> *"Many people who go to Bishop Murray probably relate to having impossible cases ... many experience hardships everyday. If [St. Jude] were our patron saint we could recognize the possible within the impossible, becoming able to accomplish everything even though we might not have everything we need to succeed."*
>
> – Bishop Murray Student

ST. JOSEPH'S SPIRITUAL ENRICHMENT

Grade 12 students gather to reflect upon and pray about their high school experience and explore the direction they wish to take after graduation with particular attention to supporting and sustaining their Christian values and characteristics.

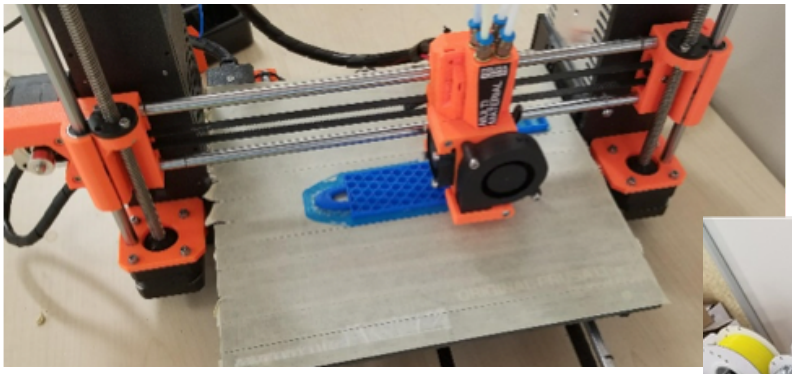
The LEAD team led a retreat themed **Roots** (where we have come from) and **Branches** (where we are going).

ST. LORENZO SCHOOL RETREAT - "God, Our Superhero"

Face2Face Ministries led a school-wide retreat, where they facilitated a rotation of faith-based activities, including praise and worship, breakout sessions, and motivational speaking. The theme was **"God Our Superhero"**; students explored the heroes of the Bible and discovered the qualities that make us truly heroic in God's eyes. In their Rosary Club, students made one rosary to keep and one to give. They learned to independently pray a decade of the rosary and actively participated in the Living Rosary in May.

ST. NICHOLAS SCHOOL'S 3D PRINTER

St. Nicholas School was fortunate enough to have received a donation to put towards 3D printing technologies. The technology is being successfully used by grades 6 and 7 students. They use computer software Tinkercad or Google SketchUp to design their 3D objects. In the lessons, students address a problem that must be solved, and then brainstorm, design, model, and create a prototype of their solution using the 3D printer. They also use a 3D scanner that can be used to scan objects to produce a 3D model for printing. All the time allocated to the design process is directly connected to the practical applied arts curriculum, **Drafting & Computer Aided Design**. The students use the software to model and present their work in their science classes.



19th Annual

Swing Into Spring

Fashion Show & Dinner

'Get Inspired' was the theme at this year's 19th annual Swing into Spring' Fashion Show and Dinner, presented by **inspired greens**. Special guest Jesse Zuber, of Top Chef Canada: Season 6, treated our guests to a live demonstration of three of his excellent salad recipes. Our models showcased wonderful fashions from anthonys fashion, Dutch Growers, Klassique Designs, and maurices. During the evening, our guests enjoyed a delicious buffet meal, a chance to win $1000 cash prize raffle, raffle basket prize draws, a very well-received wine pull, and browsing a wide variety of silent auction items.

To our committee members, models, tech crew, ticket sellers, set up and take down volunteers – **THANK YOU** for all your hard work and contagious enthusiasm; without all of you, this event wouldn't be possible. The success of this event is dependent upon the continued and much appreciated support of our Saskatoon community and businesses. The Foundation is very grateful to all of the donors who help to ensure the success of Swing Into Spring through their contributions.

24th Annual

Share the Spirit

Golf Classic

The Foundation is deeply grateful for the support of the 37 teams who participated; the full slate of sponsorships and prize donors made the 24th Annual 'Share the Spirit' Golf Classic, presented by Newco Logistics, another great success!

This golf tournament is an important part of the fundraising activities of the Greater Saskatoon Catholic Schools Foundation. Proceeds from the Golf Classic provide ongoing funding and support for initiatives leading to educational excellence, spiritual growth, and enhanced learning opportunities for the students and staff of Greater Saskatoon Catholic Schools. Over the past 24 years, this event has raised over $223,000.

This year's Celebrity Golfer was David Dubé, President & CEO of Concorde Group Corp. His friendly manner and great golf swing challenged all the golfers to beat his drive.

A huge **THANK YOU** to all of our valued volunteers whose time, energy, and support contributes so much to the success of the day!

Congratulations WES LANG!

Schools Win Twice
Raffle Fundraiser

Schools Win Twice was started in 1995, and since then, **over $3.2 million** has been raised and helped support the mission of the division and Greater Saskatoon Catholic Schools Foundation Inc.

Each year, 55% of ticket sales are returned to each school. These funds can be used for anything that supports the mission of Greater Saskatoon Catholic Schools Foundation. The remaining funds are distributed through a grant application process based on school enrolment. These funds are to be used in partnership with the school community for faith development initiatives. Examples of initiatives supported in the past can be found under Projects on our website, and commonly include funding a school wide retreat for students, or religious art projects. The grant application is sent to and completed by school administration, and is due in October of each school year.

CONGRATULATIONS to the WINNERS of the 2019 SCHOOLS WIN TWICE Raffle!

Founder's Circle

Special Builders Among Us

The Founders' Circle is made up of staff from Greater Saskatoon Catholic Schools who contribute via payroll deductions or direct payment. The Foundation thanks these wonderful people and hopes their generosity will spread to many more staff members.
